

Zirak

INTERAGRO

Inspired by J.R.R. Tolkien and named after a great craftsman, Zirak means "spike" or "silver."

The Lusitano Collection™ is a trademark created by leading Brazilian breeders of the Lusitano horse. Their combined experience represent years of excellence in selecting the best genealogies of the Lusitano breed.

The auction provides clients with a uniquely personal encounter with the horses as well as the security of knowing they have come directly from a breeder, not an agent.
